# we'll see it through...

More than a tag line to our Orrcon Steel brand

**It is a statement that says a lot about our business and the people that work in it. Being part of our culture, it reflects our relationship both internally and externally.**

Orrcon Steel employs over 600 Australians who use their steel industry knowledge and experience to produce and supply reliable steel products.

Orrcon Steel's Hollow Structural Sections manufactured in Salisbury are certified by the Australasian Certification Authority for Reinforcing and Structural Steels (ACRS).

Importantly, we have our own on-site laboratory that is accredited by the National Association of Testing Authorities (NATA) for Mechanical and Chemical testing.

Orrcon Steel has a range of certifications and systems in place to ensure high standards of compliance are constantly achieved.

## Leading Australian Companies

Orrcon Steel is a businesses of BlueScope, so you can be assured to get quality from leading Australian companies that you can trust.

## Why Choose Us

Orrcon Steel is a leading Australian distributor of Steel, Tube and Pipe.

Our extensive product range covers RHS, SHS and CHS structural tubular steel, hot rolled structural steel and a variety of fencing, roofing and building accessories.

Orrcon Steel supplies steel, tube and pipe to a diverse customer base including steel fabricators, furniture and trailer body manufacturers, housing and construction companies, pipeline and infrastructure engineering firms and more.

At Orrcon Steel we recognise that our success is derived from a flexible and nimble approach to market opportunities and our long-term success depends on our ability to meet or exceed the needs and expectations of our customers.

We also understand that the quality of our products, services and delivery performance is critical. With our Green Star Rating compliance we are a business for the future.

## Tony's Message

“ I am proud to introduce our company and on behalf of all at Orrcon Steel would like to share with you our values and aspirations that give an insight into how we operate. We understand that our future success is determined by the ongoing support and success of our customers. That support is dependent on us behaving honestly, ethically, reliably and with the best intentions in everything we do.

As part of the global BlueScope business, we are a proud member of the Australian and New Zealand steel industries, committed to the future health of the sector and supply of Australian made steel, seeking to contribute in a positive way in each community where we do business.

We are committed to operating our business in a safe environment, behaving honestly, openly and in a trustworthy manner. These are the cornerstones of successful business relationships. We serve our customers as individuals and seek to develop effective partnerships – offering our best endeavours, energy, passion and enthusiasm for doing what we do and seeking to do that exceptionally well. ”

# Product Range

## Structural Steel

Orrcon Steel offers a wide range of Electric Resistance Welded (ERW) Carbon Steel Structural Tubulars. Our Structural products are used in a wide range of applications from building structures to sporting arenas, major mining and industry infrastructure and for aesthetic structural use for airports and shipping terminals.

## Precision Tube

Orrcon Steel manufactures square, rectangular, round and oval precision tube. We also manufacture special shapes subject to enquiry. All precision products are manufactured to comply with AS/NZS 1450.

## Additional Products

► **ActivFire®** – Sprinkler and Hydrant Fire Pipe.

## Indigenous Partnerships

BlueScope has a firm commitment to Corporate Citizenship and view engagement in supporting change in Indigenous communities as a core part of that commitment. The Jawun Mission is to help "Indigenous people build the capabilities to choose a life they have reason to value"

The Jawun Indigenous Partnership provides the opportunity for BlueScope employees in Australia to participate in a six-week secondment in Central Australia supporting indigenous communities.

Secondees use their skills and expertise to assist communities to achieve their own development goals. Our partnership with Jawun has now included 4 rounds of secondees. 20 employees have participated in six week secondments in Central Australia supporting indigenous communities.

## Offering a Wide Range of Services

**Steel Distribution** – Strategically located distribution centres around Australia, combined with modern warehouses, provide an efficient service for the supply of a wide range of steel products and accessories.

**Processing Services** – Cutting and processing.

## From start to finish... we'll see it through

### Orrcon Steel is a leading Australian distributor of Steel, Tube and Pipe.
